Will the Minister of PLANNING be pleased to state:

(b) the details thereof; and

(c) the steps taken by the Government to increase the per-capita income?

Answer

THE MINISTER OF STATE OF THE MINISTRY OF SMALL SCALE INDUSTRIES, MINISTER OF STATE IN THE MINISTRY O PERSONNEL, PUBLIC GRIEVANCES & PENSIONS, MINISTER OF STATE IN THE MINISTRY OF PLANNING AND MINISTER O STATE IN THE DEPARTMENTS OF ATOMIC ENERGY AND SPACE (SHRIMATI VASUNDHARA RAJE)

(a) & (b): As per the latest information available from the Central Statistical Organisation, the per capita income of States for the year 2000-01 (measured in terms of per capita Net State Domestic Product at constant (1993-94) prices) and the per capitaincome of the nation (measured in terms of per capita Net National Product at 1993-94 prices) is given in Annexure I. The per capita income of selected developing countries, which is measured by the per capita Gross National Income for the year 2001 is given inAnnexure II. The per capita Net State Domestic Product is not strictly comparable acrossthe States, since the Directorates of Economics and Statistics of different states estimate the State level income independently by using methodologies, which are not necessarily uniform.

(c): Two pronged strategies of
(i) achieving a higher growth rate of Gross Domestic Product and
(ii) containment of population growth rate will ensure increase in the per capita income.
